

## McLAUGHLIN - HISTORY

McLaughlin>Phillips or Werry>Turner>Paul Turner

[See note at bottom of this page regarding these arms  
& the history of the McLaughlin name and variations]

*The McLaughlin family may have been originally from Ireland and then they may have been forced to flee to Scotland. It is possible that the family emigrated from Scotland and settled in co. Cavan, Ireland during the Elizabethan Plantation period (early 1600s) or after the 1641 Rebellion. Various spellings of the name are McLaughlin, McGlohin and McGlaughlin. Whether they came as Presbyterians is unclear. The earliest McLaughlin found is Thomas McLaughlin born about 1745 who married Mary Stafford c.1770. They were found in co. Cavan, Ireland. Early parish records were obtained at [Coroneary Presbyterian Church](#) (at Cootehill), Knockbride Parish, co. Cavan, Ireland.*

*During my research I have found that there were different McLaughlin families that started out in Ontario, Canada: those from Ireland who were Roman Catholic; others who were Wesleyan Methodist and Church of England ( and a few other faiths) and the Irish Presbyterian McLaughlins. As far as I know, the McLaughlin family of this web site emigrated from Co. Cavan, Ireland, were Presbyterian and settled first in Ontario, Canada in 1832*

*I would like to thank Gary McLaughlin for obtaining the Ireland material and Blair Barbeau, Mike Leslie and Sylvia who have provided a wealth of information on the family. Their e-mail addresses can be found on the '[McL-Contacts](#)' page. In addition to the above, many dates, dossiers and the McLaughlin grave pictures of Enniskillen and of Oshawa Union Cemetery have been provided by M.A. Edmondson. To all, many thanks for updating the McLaughlin Family.*

## Ireland

*In co. Cavan, Knockbride parish, we have found that Thomas McLaughlin and Mary Stafford had 3 known issues:  
**William, James and Margaret.***

**William** was born about 1771 and married, c.1801, Jane Irwin and they had the following children: Thomas, George, John, Robert, Margaret, William, James and Alexander.

**James**, born about 1780, married Elizabeth Gibson and their issues were: Thomas, Margaret, Sarah, Martha and at least 8 other children. Margaret was baptized in 1781 by Rev. John Craig of the Coroneary Church.

**Margaret**, no further information has been obtained.

All the mentioned children were baptized in the Coroneary Presbyterian Church. Most of these children were received into church by Rev. Francis Carlisle. The McLaughlins were tenant farmers and mostly likely, due to the hardships of tenant farming and the religious troubles, decided to immigrate to Canada. In Canada there were already some Cavan Irish-Protestant families and the Presbyterian Church had established itself in 1831. At least the two brothers, William and James, with their married and unmarried children set off by cart and foot to co. Tyrone and made final preparations to set sail for the new world. The McLaughlin's and the Rusk's sailed on the same ship and arrived in Canada in 1832. 1832 was the time of the great 'Cholera' epidemic that was ravaging Europe, the eastern US and Canada. Many of the emigrants that had left the hard times, the religious persecutions, endured the 6-12 week voyage in 'no better than slave ships' and who had landed at Grosse Isle never traveled further than an early grave. As Grosse Isle and Quebec City were quarantined the families may have disembarked at Montreal. Whether they landed at Grosse Isle or not they would have made their way to Montreal.

## Canada

From Montreal, by barge, they journeyed to Upper Canada (now Ontario). Here they may have landed at Cobourg or Pope Hope. From there, some settled in Cavan township others in Darlington township of Durham county and some, later, made their way to Huron county all of Ontario. The families have since spread from Ontario to Saskatchewan and beyond. Today, descendants are scattered all over Canada and the United States. The most notable family in Darlington was that of John McLaughlin and Eliza Rusk. Settling on the farm on the west side of Tyrone in 1840. They had the following issues: Robert, James Wellington, John, William and Mary McLaughlin. John James, who became a chemist and pharmacist, was responsible for "J.J. McLaughlin Limited - Manufacturing Chemists" of Toronto which produced "Canada Dry Ginger Ale". Another son Robert, who never liked farming, began a business of making axe handles. He then progressed to sleighs and cutters. The business, McLaughlin Carriage Co., grew and two of Robert's sons, George W. and Robert S. entered the work force. Robert S. saw the coming importance of the automobile and along with George and Robert Sr.'s consent started the McLaughlin Motor Company. The first car was the McLaughlin Buick and was very successful. This company became General Motors of Canada.

**The Arms depicted are those that I found relating to McLaughlin's of Ireland. I had no idea whether they were used by this family when I found them. I have received an email from John McLaughlin and he has explained the arms and who used them. The arms shown above are not likely my McLaughlin's but I have nothing to put in its place as yet. :-)**

**However, if you are interested in the McLaughlin name and arms here is where you can learn a lot: <http://members.aol.com/lochlan/clanmac.htm>**

thanks John.

**Coroneary Church:** The Congregation was in the process of formation by 1755. The first Minister, Rev. John Craig, was ordained to the joint congregations of Coroneary and Cootehill in 1764 and the Meeting House was built prior to this. ## McLAUGHLIN - SOURCES

### *UNDER CONSTRUCTION.....*

One must keep in mind that census records and other records held elsewhere could be inaccurate and thus I have tried to make do with the errors and have made assumptions based on likelihood. At the end of each person's source, I have placed some notes when I thought there are questions. See list of persons and their contributions at the end of this page.

Jan, 2005: At this point I have been able to go over some parish records of Coroneary Church and these records make me assume the following:

Thomas McLaughlin and Mary Staford

- A. William McLaughlin [c.1778] m. Jane Irwin
  - B. ???
  - C. Margaret 1781
  - D. James McLaughlin [c.1783] m. Elizabeth Gibson
  - E. George McLaughlin [c.1789] m. Elizabeth Hoey (sic)
- either D or E could be placed in position B.

Known birth are

For William and Jane: 1. Thomas 1803; 2. John 1806; 3. Robert 1808 and listed 3rd again is Margaret 1812; 4. ?? 5. James 1817

For a George with wife Jane Irwin there is a John 1806 but I fully believe that this is of William and Jane

For James and Elizabeth: 1. Thomas 1809; 2. Margaret 1815; 3. ??; 4. ??; 5. Sarah 1817

For George and Elizabeth: 1. Jane 1814; 2. Thomas 1817

one must wonder why the 3 sons named their first son Thomas - it must be very confusing to the family.
